

Pathways to Scholarships – User Stories

Student User Stories

STU-01 – Search Scholarships

As a student, I want to search for scholarships so that I can find opportunities I may qualify for.

STU-02 – Filter Scholarships

As a student, I want to filter scholarships by grade level, location, and field of interest so that I can find scholarships that match me.

STU-03 – View Scholarship Details

As a student, I want to view scholarship details so that I can understand the requirements, award amount, and deadline.

STU-04 – View My Matches

As a student, I want to see scholarships that match my information so that I can find scholarships that fit me more easily.

STU-05 – Create an Account

As a student, I want to create an account so that I can save my information and use personalized scholarship features.

Parent User Stories

PAR-01 – Search Scholarships

As a parent, I want to search for scholarships so that I can help my child find opportunities they may qualify for.

PAR-02 – Filter Scholarships

As a parent, I want to filter scholarships by my child's grade level, location, and interests so that I can find relevant opportunities.

PAR-03 – View Scholarship Details

As a parent, I want to view scholarship details so that I can understand the requirements, award amount, and deadline.

PAR-04 – View Matches

As a parent, I want to view scholarships that match my child's information so that I can help them find good opportunities.

PAR-05 – Create an Account

As a parent, I want to create an account so that I can use the scholarship matching features.

Administrator User Stories

ADM-01 – View Scholarships

As an administrator, I want to view the scholarships in the system so that I can manage the scholarship information.

ADM-02 – Import Scholarships

As an administrator, I want to import scholarship data so that multiple scholarships can be added to the system.

ADM-03 – Review Import Results

As an administrator, I want to view an import validation report so that I can see if there are errors in the imported scholarship data.

ADM-04 – Edit Scholarships

As an administrator, I want to edit scholarship information so that incorrect or outdated information can be updated.

ADM-05 – Manage Scholarship Information

As an administrator, I want to manage scholarship records so that users receive accurate scholarship information.

Visitor User Stories

VIS-01 – View Home Page

As a visitor, I want to view the home page so that I can understand what the website provides.

VIS-02 – Search Scholarships

As a visitor, I want to search available scholarships so that I can see what opportunities are available before creating an account.

VIS-03 – Register

As a visitor, I want to register for an account so that I can access personalized features such as scholarship matches.

Super-Admin User Stories

SA-01 – Manage Users

As a super-admin, I want to view and manage user accounts so that I can control who has access to the system.

SA-02 – Manage Administrators

As a super-admin, I want to manage administrator accounts so that the correct people have administrative access.

SA-03 – Manage User Roles

As a super-admin, I want to manage user roles so that each user has the correct level of access.
